Hi Rob,

Yes, this is consistent with EPA's understanding. We would prefer to meet on the 29th for the CSM and transition meetings. How much time do you think we need for each part?

Thanks,

Stephanie

Stephanie:

This is to confirm the CPG's understanding on upcoming near-term meetings which is:

1. Interim CSM Meeting - EPA and its contractors and CPG - will be at 290 Broadway - either Jan 29 or 30
2. Transition Meeting - EPA and CPG Project Management Teams either Jan 29 or 30 - same day as CSM Mtg at 290 Broadway
3. EPA-CPG RI/FS Progress Meetings - EPA, PAs and CPG on Feb 6 at K&L Newark - Time TBD - Stephanie requested that we host the first one
4. RI/FS Modeling Oversight Meeting - EPA and CPG Modeling Teams - February 13 or 20 - Location - TBD

Please let me know if this is consistent with EPA's understanding.

Thank you.
